## Description :

Présentation de l'auteurNow, for the first time, all of Neal Adams's Batman work - covers and stories - is being chronologically collected. This first volume, featuring Adams's contributions from 1967 through 1969, shows the process of introduction, adaptation, and innovation that the young artist brought to this legendary crimefighter. Along the way, Adams also displays his interpretations of many other DC heroes, including

Superman, The Flash, Aquaman, and the Teen Titans, as well as his signature character,
