Par Janet Evanovich, Charlotte Hughes : Full Tilt (Full Series, Book 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Full Tilt (Full Series, Book 2):

Description : Description du produitHe lives life in the fast lane and she's along for the ride-with no brakes....Jamie Swift has one priority in quiet Beaumont, South Carolina: running the local newspaper. Romance runs second. But with the arrival of her silent partner, the notoriously mysterious and sexy Maximillian Holt, Jamie's life gets shaken up. Max claims he's here to give his brother-in-law a vote of confidence. A former wrestler, Frankie Fontana's now taking his shots in the political ring. Beaumont could use a mayor with scruples, but what it gets is a crime-and what Jamie gets is a story that's taking her for a ride on the wild side, complete with two assassins, a washed-up stripper, and an insane poacher. Between a spray of bullets and a fast getaway could it get any more romantic-or dangerous? Max and Jamie are betting their lives on a long shot.

Prsentation de l'diteur Treat yourself to FULL TILT by Janet Evanovich and Charlotte Hughes. Her quiet life is about to get blown to smithereens... Jamie Swift just wants to keep her beloved Beaumont Gazette afloat, even if she occasionally has to sell the furniture to keep the town newspaper running. Having her financial partner come to check on her is the last thing she needs - particularly when that partner turns out to be multimillionaire Max Holt, handsome, charming, and pathologically flirtatious. But someone wants Max in town even less than Jamie does - and they've got the guns and dynamite to prove it....com Mysterious and sexy,

Maximillian Holt moves into Jamie Swift's life like a steamroller. She's the owner of a small town newspaper and hes a notorious, brilliant billionaire--what could they possibly have in common? Apparently quite a lot, for besides their mutual affection for Max's airhead sister Deedee and his investment in Jamie's struggling business, they share an explosive sexual chemistry. Unfortunately, Jamie's already engaged to be married. But when someone sprays her office with gunfire, only Max can save her. Now she'll have to rely on him to sort out the tangle of embezzlement, mayhem, and attempted murder that threatens her bucolic world of Beaumont, South Carolina. But if they unravel the mysteries and manage to stay alive, is there any hope for a shared future between a cosmopolitan guy committed to tracking down evil and a small-town girl who just wants a normal life? Authors Janet Evanovich and Charlotte Hughes have paired up to create a fast-paced, wacky novel filled with eccentric characters and southern ambiance. In the time-honored tradition of such detective couples as Nick and Nora Charles (*The Thin Man*, *After the Thin Man*) the hero and heroine trade quips and parry sexual innuendos with panache while easily deciphering clues and adroitly coping with danger. Readers will thoroughly enjoy this Jamie Swift/Max Holt adventure, the first in a new series from this author duo. --Lois Faye Dyer From Publishers Weekly

What do you get when you throw together a daredevil multimillionaire, a talking car, a flaky newspaper owner, a retired wrestler turned mayoral candidate, a crazy Vietnam vet and a town full of corrupt bureaucrats? A far-fetched mystery that reads like a carnival ride spun out of control. While some readers may enjoy the ride, others will simply want to plant their feet on the ground. Playboy Max Holt, the bomb-setting boy genius from Evanovich's *Full House*, returns to Beaumont, S.C., to check up on his investment in the local paper, run by workaholic Jamie Swift, and to help his brother-in-law, mayoral candidate Frankie Fontana, locate the town's missing tax dollars. But when he and Jamie are shot at, it becomes clear that someone doesn't want him poking into Beaumont's financial affairs. The shooting doesn't deter Max, and neither do his subsequent encounters with dynamite, an alligator and a trigger-happy war veteran. Jamie, however, is sufficiently distraught for both of them, and her hysterics will make fans of Evanovich's more capable heroine, Stephanie Plum, cringe. Though the story is stuffed with marginally developed, oddball characters, their off-the-wall antics aren't enough to keep the suspense rising and the reader engaged.
