Description :

Prsentation de l'diteurThis is the trusted resource for working artists and art students written by the leading authority on these health hazards. Whether you work in painting, photography, sculpture, ceramics, printmaking, woodworking, textiles, computer, or children's art, this is the only reference book that covers all the dangers associated with metals, minerals, and chemicals. With illustrations throughout, this first aid book shows how to treat injuries and work with proper caution while still being creative. Updates include new ventilation, photo processing, and computer systems. Whether you are a beginner or professional, this is

a must for every school, art studio, and home.
