on a Bearhunt and Stick Man. With a huge heart, Hetty Feather is a terrific adventure story!Revue de presse"Jacqueline Wilson has written another amazing book. If you love Tracy Beaker then you'll certainly enjoy this too." (NA CBBC News)"This was the first Wilson novel I'd read, so I was unsure what to expect. What I found was wonderful: a spell-binding and meaningful story about a girl's search for her mother." (Laura Dobbie Waterstones.com)"Jacqueline Wilson will surprise and delight old fans and new with this utterly original take on a historical novel. Set in Victorian times and featuring a brand new feisty heroine, "Hetty Feather", this is a Tracy Beaker-esque tale that will thrill young readers. Warm, moving, funny and totally fascinating, it's the perfect gift for girls of eight and older." (NA WHSmith.co.uk)"I approve of the way Wilson includes kind characters alongside cruel ones - and they turn out to be the more powerful. There is a touch of Jane Eyre to Hetty. There is also a Shakespearean spark when Hetty disguises herself as a boy. And the flower girl at the end of the novel is straight out of Shaw.The language is eight-year-old-friendly, the story weaves and ducks and there's an unforgettable scene when Hetty meets Madame Adeline, the circus performer she hopes may be her mother... The story gripped me completely, as it will its intended audience." (Kate Kellaway The Guardian)"Hilarious adventure, a feisty new heroine, and a search for happiness - Hetty Feather has it all!"
