## Description :

Presentation de l'diteurWith this all-new creative team comes all-new terror.The United States is attacked by a lone mysterious warrior known as Scythe who's escaped from a super-secret government holding tank. The Justice Society races to Washington, D.C. to neutralize the threat and finds themselves at the heart of a catastrophe that will redefine justice, the society AND America. But in contrast to their glory days during World War II, it appears the U.S. may not want the Society's help. Luckily, the heroes' new society is drawing the right kind of help to the fledgling city - including the return of a fallen colleague!
