Description :

Prsentation de l'diteurNew Year's resolution to cycle end to end? This book will give you a great insight into the experience.Smashed from his bicycle by an articulated truck Royston Wood found himself unable to complete a long planned for 875 mile cycling event. Battling the demons of failure he devised a plan to ride a similar distance across the UK from Lands End to John OGroats. With only a few days to plan the whole trip he delegated the routing to Google Maps. Cycle routing was brand new and in beta testing: what could go wrong Praise for Royston Wood: Beautifully written, informative, cracking sense of humour...a great

read Factual, funny and a page turner. I have read many books on this subject and this is one of the best. Please note this book is not written as a route guide although gpx downloads of the route ridden are available. Presentation de l'diteur New Year's resolution to cycle end to end?
