Description : Description du produit Theodore Honey is a scientist with an interest in the paranormal and a job testing metal fatigue in aircraft. When a new transatlantic plane, the Reindeer, is found to have crashed in Labrador, Theodore believes he knows why. The scientist is sent to the scene of the crash. En route to Canada Theodore learns he is flying in a Reindeer and is in danger.

Prsentation de l'diteur Theodore Honey is a shy, inconspicuous aircraft engineer whose eccentric interests in quantum mechanics and spiritualism are frowned upon in aviation circles. But when a passenger plane crashes in unexplained circumstances, Honey must convince his superiors that his unorthodox theories are correct before more lives are lost. Revue de presse "No Highway is a novel which engages the heart and grips the mind" (Evening Standard) "Shute was a brilliant storyteller and terrific example for any writer"
