Description :

Prsentation de l'diteur Primal man benefited from a powerful cure-all that continually coursed through his blood vessels. This substance made in the liver protected him from an overwhelming list of health challenges that, until recently, were rare causes of death. Due to a genetic error of metabolism, the vast majority of us no longer produce this panacea, making us increasingly susceptible to cancer, heart disease, osteoporosis, dementia, diabetes, and many other very costly, and often fatal maladies. Thousands of scientific studies prove that sufficient quantities of this substance in the bloodstream still provide the same protective and curative properties experienced long ago. Dr. Levy cites over a thousand of these published

reports as he relates the history and science of the "primal panacea" in an easy-to-read and entertaining way.

He also relates simple and powerful ways to boost blood levels to those once enjoyed by our ancient ancestors. Primal Panacea is chock full of proof, resources, and practical how-to. It will save you money, it will greatly improve your odds for a long and healthy life we guarantee it!
