Description : Description du produitThree women learn that the heart of their historic home holds a mystery of years gone by, as number-one bestselling author Nora Roberts brings her In the Garden trilogy to a captivating conclusion, following Blue Dahlia and Black Rose. A Harper has always lived at Harper House, the centuries-old mansion just outside of Memphis. And for as long as anyone alive remembers, the ghostly Harper Bride has walked the halls, singing lullabies at night... Hayley Phillips came to Memphis hoping for a new start, for herself and her unborn child. She wasn't looking for a handout from her distant cousin Roz, just a job at her thriving In the Garden nursery. What she found was a home surrounded by beauty and the best friends she's ever had-including Roz's son Harper. To Hayley's delight, her new daughter Lily has really taken to him. To Hayley's chagrin, she has begun to dream about Harper-as much more than a friend... If Hayley gives in to her desire, she's afraid the foundation she's built with Harper will come

tumbling down. Especially since she's begun to suspect that her feelings are no longer completely her own. Flashes of the past and erratic behavior make Hayley believe that the Harper Bride has found a way inside of her mind and body. It's time to put the Bride to rest once and for all, so Hayley can know her own heart again-and whether she's willing to risk it...

Prsentation de l'diteurHayley Phillips has come to Memphis hoping for a new start, for herself and her unborn child. She isn't looking for a handout from her distant older cousin, Roz, just a job. What she finds is a home complete with resident ghost, and the best friends she's ever had. And if Roz's son Harper occasionally shows up in her private fantasies as more than a friend...well, she'll just have to get over it. Her new daughter, Lily, is the focus of her life now; and Hayley is reluctant to risk her friendship with Harper and her new life on the promise of an affair. However, the ghost - a madwoman who has been haunting the family home for centuries - has now turned her attentions to Hayley, consuming her thoughts and dreams. Harper is determined to protect her, but before Hayley can begin to trust her growing feelings for him, they must battle to discover the truth behind the ghost's despair, so that they can finally lay her spirit to rest.From AudioFileRED LILY concludes Roberts's In The Garden series with Hayley Phillips and her daughter, Lily.

When Hayley travels to Memphis to work for her cousin, Roz, she doesn't plan on falling in love. She's mystified, and horrified, by her strong attraction to Roz's son. When Hayley learns that Amelia, the century-old Harper Bride ghost, has taken momentary possession of her, she is determined to free her. Susie Breck portrays Hayley with an appealing Southern accent. She excels at switching between Amelia and Hayley, giving the impression of dual narrators. Tight pacing, clear narration, and expert timing make this a suspenseful addition for anyone who enjoys an erotic, romantic, AND spooky story. G.D.W. AudioFile 2006, Portland, Maine-- Copyright AudioFile, Portland, MaineBooklistHayley loves her life in Memphis: her precious baby girl, Lily, her job at the In the Garden nursery, and her close friendships with her boss, Roz, and coworker Stella. Hayley isn't about to risk all this on the chance that Roz's son, Harper (his mother's last name), might be interested in her. But when her desire for Harper finally proves to be too strong to resist, Hayley discovers not only that Harper feels the same about her but also that everyone is delighted to see them together. In fact, the only one who seems upset by her new relationship is the "Harper Bride" ghost, who, after nearly a century of unthreatening behavior, is suddenly turning violent. Now if Hayley wants her budding romance to flourish, she must find a way to root the Harper Bride out of all of their lives. The consistently excellent Roberts brings her In the Garden trilogy to a spooky, sexy conclusion with this spellbinding romance that beautifully celebrates the power of love in all its guises.
