## Description :

Prsentation de l'diteurChloe needs a holiday. She's sick of making wedding dresses and her partner is having trouble at work. Her wealthy friend Gerard has offered the loan of his luxury villa in Spain - perfect.Hugh is not a happy man. His immaculate wife seems more interested in the granite for the new kitchen than in him, and he works so hard to pay for it all, he barely has time to see their children. But his old schoolfriend Gerard has lent them a luxury villa in Spain - perfect.Both families arrive at the villa and get a shock: Gerard has double-booked. An uneasy week of sharing begins, and tensions soon mount in the soaring heat. But there's also a secret history between the families - and as tempers fray, an old passion begins to resurface...From Publishers WeeklyWickham (The Gatecrasher; also, the Shopaholic series as Sophie

Kinsella) spins a delightful story of British families forced to spend their vacation together after a mutual friend promises them the same week in his Spanish villa. Chloe Harding hopes that a holiday will soothe the strain between her and longtime partner Philip Murray, who is worried that a recent takeover of his company may cost him his job. Their hopes are dashed when they arrive and find another family already settled at the villa. To Chloe's disappointment, she'll be sharing the space with Hugh Stratton, the beau who broke her heart 15 years ago. Now married to high-maintenance Amanda and with two children, Hugh apologizes, and though Chloe initially expresses nothing but hurt and disdain (all the while keeping their past a secret from Philip), she eventually considers beginning life anew with Hugh. Wickham does a bangup job of creating believable characterseven Amanda is less vapid than she at first seems. Surprises abound as the plot unfolds, and the families begin to wonder whether their mutual friend made an innocent mistake in getting them together.
