## Description :

Prsentation de l'diteurA dreamer who can start a revolutionFor the past two hundred years the Scion government has led an oppressive campaign against unnaturalness in London.Cclairvoyance in all its forms has been decreed a criminal offence, and those who practise it viciously punished. Forced underground, a clairvoyant underworld has developed, combating persecution and evading capture.Paige Mahoney, a powerful dreamwalker operating in the Seven Dials district of London, leads a double life, using her unnaturalness illegally while hiding her gift from her father, who works for the Scion regime...This beautiful new edition includes the prequel novella, The Pale DreamerRevue de presseTruly extraordinary and thrilling (Andy Serkis)A dark and exquisitely rendered fantasy unlike anything out there. The Bone Season is a must

read (Kami Garcia, No. 1 New York Times bestselling co-author of the Beautiful Creatures series)A new breed of women authors are claiming fantasy for their own. Leading the charge is Samantha Shannon (Harper's Bazaar)Samantha Shannon has a hugely inventive talent and an imagination with seven league boots. She's hit the ground running (Susan Hill)A richly dramatic and unadulterated pleasure, filled with horrors, wonders and charm (Justina Robson, author of the Quantum Gravity series)A dazzlingly brainy, witty and bewitching tale of outrageous courage, heroic compassion, transcendent love and the quest for freedom ... the first in a thoughtful fantasy series by a brilliant young writer (Booklist)Marks the arrival of an extraordinarily talented British writer set to challenge the worldwide bestseller list domination of Stephenie Meyer's Twilight series and Suzanne Collins' The Hunger Games (The British Fantasy Society)The Bone Season, set in 2059, stems from Shannon's interest in works such as The Handmaid's Tale and A Clockwork Orange, which have backdrops of repressive regimes, and in John Donne's poetry (Sunday Times)Shannons world is meticulously detailed and has a strong internal logic ... Plenty of entertaining action ... The pace of The Bone Season seldom slacks off, and the strong and resourceful Paige is a memorable heroine. This is one buzz book that just might merit its hype (BookPage)A complex and epic dystopia (Bookseller)On the quite wonderful style and craft of words Samantha displays I really cannot heap enough praise it is remarkably self-assured writing, most especially for a debut ... the most engrossing read I have had so far this year and frankly the most absorbing and compelling debut Ive read since the superb Jonathan Strange and Mr Norrell.
