Prsentation de l'diteurIn James Herbert's The Fog, the peaceful life of a village in Wiltshire is suddenly shattered by a disaster which strikes without reason or explanation, leaving behind it a trail of misery and horror. A yawning, bottomless crack spreads through the earth, out of which creeps a fog that resembles no other. Whatever it is, it must be controlled; for wherever it goes it leaves behind a trail of disaster as hideous as the tragedy that marked its entry into the world. The fog, quite simply, drives people insane.Prsentation de l'diteurIn James Herbert's The Fog, the peaceful life of a village in Wiltshire is suddenly shattered by a disaster which strikes without reason or explanation, leaving behind it a trail of misery and horror.
