In *The Unwritten: Leviathan*, acclaimed storytellers Mike Carey and Peter Gross delve deeper than ever before into their frightening, fascinating world! Biographie de l'auteur Mike Carey got into writing through comic books, where his horror/fantasy series *Lucifer* for Vertigo/DC Comics garnered numerous international awards and was nominated for five Eisners. From there he moved into novels and screenplays, while still maintaining a presence in the comics world (Vertigo/DC Comics' *Hellblazer* and Marvel's *X-Men, Ultimate Fantastic Four*). His movie *Frost Flowers*, an erotic ghost story, is currently in production with Hadaly/Bluestar Pictures. He lives in London, England, about as far as you can get from the centre of the city and still have access to the London Underground train network. His wife, Linda, writes fantasy for young readers under the pseudonym A.J. Lake. They have three children and an implausibly beautiful cat.
