Description : Description du produitFar to the north, in the frozen wastes of Polar Mars, lay the home of the Holy Therns, sacred and inviolate. Only John Carter dared to go there to find his lost Dejah Thoris. But between him and his goal lay the bones of all who had gone before.

Prsentation de l'diteurHardPress Classic Books SeriesFrom AudioFileIn the third of Burroughs's "John Carter of Mars" series, the man from Earth unites warring races and is reunited with his love, Dejah Thoris. John Bolen unnecessarily reads the story with a Virginia accent, but he does so effectively and consistently in a way that does not take away from the performance. The MP3 CD is divided into 115 short (3-minute) files. Playback is clear and clean sounding, unadorned by music or other effects. The story is a fitting and exciting conclusion to the first three books, and provides a satisfying surprise ending. S.E.S.
